

Hardwood Floor Cleaner

DESCRIPTION:

A waterborne, environmentally responsible cleaner specifically formulated for cleaning all types of wood floors coated with a clear unwaxed finish, including all polyurethane finished floors. Will not dull the finish or leave any residue.

FEATURES:

- Formulated for use with Bona® waterborne or solvent-based urethane finishes, and other waterborne or solvent-based urethane and maintenance coatings
- For periodic maintenance
- For spot cleaning of food spills and other stains
- Leaves no oily residue
- pH neutral
- Nonflammable
- Non toxic

RECOMMENDED USE:

- All types of unwaxed, residential and commercial hardwood wood floors.

DIRECTIONS FOR USE:

BEFORE USING, READ ALL DIRECTIONS AND MATERIAL SAFETY DATA SHEET #10005 FOR THIS PRODUCT (#10001 FOR CONCENTRATE).

For Regular Maintenance of Finished Floors:

The frequency with which you clean your floor with BONA® SWEDISH FORMULA® HARDWOOD FLOOR CLEANER depends upon the amount of traffic and degree of usage.

1. Always vacuum or sweep before cleaning your wood floor to pick up loose dirt.
2. Lightly mist a 4'x6' area of your wood floor, or the Bona® Mop cover or pad, with cleaner.
3. Using the Bona® MicroPlus™ mop or a clean cloth, wipe using a back and forth motion. Finish one area before moving on to the next. For stubborn spots, rubber heel marks or sticky spills, spray cleaner directly on these areas and wipe clean with a clean cloth or your Bona® MicroPlus™ mop. When mop covers, pads or cloths become soiled, replace with clean ones. Use as needed depending on household traffic.

Hardwood Floor Cleaner is for use on unwaxed, polyurethane finished wood floors only.

Mixing the 4 oz. BONA® SWEDISH FORMULA® HARDWOOD FLOOR CLEANER CONCENTRATE:

1. Pour the 4 oz. bottle of cleaner concentrate into the 32 oz. spray bottle and fill with 28 oz. of water.
2. Follow directions as listed for Regular Maintenance.

NOTE: Food and other spills should always be cleaned in a timely manner (at least daily) using BONA® SWEDISH FORMULA® HARDWOOD FLOOR CLEANER.

Clean-Up: Clean all tools and equipment with water.

SPECIFICATIONS/PHYSICAL DATA:

Physical Characteristics:

Ingredients - Surfactants, Dipropylene Glycol Monomethyl Ether, water, other proprietary ingredients

Color - Brilliant blue solution (wet)

pH - 7.0 - 7.5

Solids - <1%

Viscosity - (#4 Ford cup @ 25°C) 10 seconds

Density - 8.34 lbs./gallon (1.0 S.G.)

Packaging - 4 oz spray • 4 oz. concentrate in plastic bottle • 32 oz. spray • 42 oz. refill • Gallon refill

Gloss Level - N/A

Odor - Non-offending

Flash Point - >200° F

Stability - 1 year shelf life

VOC - N/A

Application Characteristics:

Drying Time - 15 - 20 minutes

Application Tools - Bona® Mop or soft cloth
